Hanging sign

Consider a hanging sign at the top of the stand, where the Wines of Brazil identity should be applied. Consider an aerial frontlet in the middle of the area. Ideally, we would like a hanging sign illuminated, but in order to spend less investments, we suggest a hanging sign with voil material. **You can also present 2 separate budgets for the 2 options of hanging sign.**

See below an image to exemplify the hanging sign of our stand at the ProWine Shanghai 2024 (illuminated version) and Vinexpo America (voil version):
